ORDER OF THE BOARD (by J. Anderson):

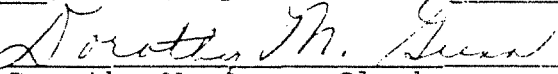

On May 7, 1990, the Illinois Environmental Protection Agency ("Agency") filed an Agency Response to Board Order of April 12, 1990. The Board, on its own motion, hereby orders both parties to submit more information concerning this matter. The Respondent is ordered to reply to the Agency's response. The Agency is ordered to provide clarification of the following:

This violation occurred on April 7, 1989, well before the Agency instituted its new procedures for avoiding confusion in Administrative Citations. How is this matter distinguishable from violations that occurred during the same time frame which were dismissed after subsequent cleanup after a default order was issued?

Both replies are to be filed with the Board on or before June 18, 1990, in order that the Board may consider this matter at its June 21, 1990 meeting.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of May, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
