IN THE MATTER OF:)
)
PROPOSED AMENDMENTS TO) R22-18
GROUNDWATER QUALITY) (Rulemaking – Public Water Supplies)
35 ILL. ADM. CODE 620)

HEARING OFFICER ORDER

On November 15, 2024, the Illinois Environmental Protection Agency (IEPA) filed a motion (Mot.) requesting an extension of time to respond to Board questions included in the Board’s October 17, 2024 order. IEPA asks to extend the deadline for its responses from November 18, 2024, to December 6, 2024, pursuant to both 35 Ill. Adm. Code 101.500 and 101.522. IEPA reports that it has informed other participants of its intention to seek this extension and intends for the extension to apply to all participants.

IEPA states that while it “has made progress, additional time is required due to the volume of questions and the necessity of coordinating responses among its various bureaus.” Mot. at 1.

Pursuant to 35 Ill. Adm. Code 101.522, this order grants IEPA’s motion. All responses to Board questions – for all participants in this rulemaking – will be due December 6, 2024.
