   **Post-Closure Care Certification**

Dear Mr. Smith:

This letter is being submitted as the required notification in accordance with permit condition I.D.2 from permit No. B-141R. This letter certifies that the Laraway closed hazardous waste RCRA unit has completed 30 years of post-closure care on September 10, 2022 in accordance with the specifications in the approved Post-Closure Plan. Post-closure maintenance, financial assurance and inflation updates to the annual post-closure care costs will continue to be provided until the Agency releases the site from further post-closure obligations.

Three copies of this certification are enclosed. If you have any questions or require additional information, please contact me immediately at 815-280-6301.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to ensure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. [35 IAC 702.126(d)]

Sincerely,
