ORDER OF THE BOARD (by J. Anderson):

This variance petition, filed September 24, 1987, is deficient in that it is unclear exactly what relief the Village needs and is seeking. The petition seeks relief from the gross alpha particle activity standard. However, the data presented indicates excursions from the combined radium standard.

If an amended petition clarifying whether the Village seeks a variance from the gross alpha standard, the radium standard, or both standards, is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1st day of October, 1987, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
