In new Adjusted Standard #AS 94-7, Rhone-Poulenc Basic Chemicals

Company, Thorn Creek Basin Sanitary District, these actions were taken by a vote of 5-0: the Board found the petition to be neither duplicative, frivolous, or deficient, no hearing will be held since the Petitioners have waived their rights to a hearing, and since the petition is the type of case for which the Act prescribes no deadline for decision, the Act does require a Petitioner to timely pursue disposition of the petition.
