ORDER OF THE BOARD (by M.D. Mankowski):

On February 14, 2025, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against the Village of Olympia Fields (Village). The complaint concerns the Village’s ownership and operation of a public water supply serving residents in Cook County. Accompanying the complaint was a stipulation, proposal for settlement, and request for relief from the hearing requirement. The parties therefore seek to settle the complaint without a hearing. For the reasons below, the Board accepts the complaint and directs the Clerk to provide public notice of the stipulation, proposed settlement, and request for hearing relief.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2022)), the Attorney General and the State’s Attorneys may bring actions before the Board to enforce Illinois’ environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2022); 35 Ill. Adm. Code 103. In this case, the People allege that the Village violated Section 611.1356(d)(4) of the Board’s public water supply rules (35 Ill. Adm. Code 611.1356(d)(4)) and thereby also violated Section 18(a)(2) of the Act (415 ILCS 5/18(a)(2) (2022)) by failing to submit to the Illinois Environmental Protection Agency sample results for lead and copper for the June 1, 2021 to September 30, 2021 sampling period. The Board finds that the complaint meets the applicable content requirements of the Board’s procedural rules and accepts the complaint. *See* 35 Ill. Adm. Code 103.204(c).

On February 14, 2025, simultaneously with the People’s complaint, the People and the Village filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2022)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2022)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). Under the proposed stipulation, the Village admits the alleged violations and agrees to pay a civil penalty of \$3,456.

Unless the Board determines that a hearing is needed, the Board must cause notice of the stipulation, proposed settlement, and request for relief from the hearing requirement. Any person may file a written demand for hearing within 21 days after receiving the notice. If anyone timely files a written demand for hearing, the Board will deny the parties' request for relief and hold a hearing. *See* 415 ILCS 5/31(c)(2) (2022); 35 Ill. Adm. Code 103.300(b), (c). The Board directs the Clerk to provide the required notice.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 20, 2025, by a vote of 5-0.
