ORDER OF THE BOARD (by B. Forcade):

On October 19, 1987, the Department of the Army, Joliet Army Ammunition Plant ("Army"), filed a petition for variance to open burn explosive-contaminated materials. That petition is deficient, according to Section 104.124, in that it fails to contain:

A request for a hearing on the petition if desired by petitioner; or, in the alternative, a statement waiving a hearing, accompanied by such affidavits or other proof in support of the material facts alleged in the petition as the petitioner may submit, sufficient to enable the Board, if it so decides, to rule upon the petition without a hearing.

Unless an amended petition is filed within 45 days of the date of this Order, curing the above-noted defect, this matter will be subject to dismissal.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 29th day of October, 1987, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
