ORDER OF THE BOARD (by Jacob D. Dumelle):

On April 8, 1982 the Village of Algonquin filed a petition for variance from Rule 1202 of Chapter 3: Water Pollution which the Board construes as requesting variance from Rule 1201 which appears to be the proper rule from which variance should be requested for the Village to receive the desired relief. That petition is deficient in that the Village has failed to request or waive hearing as required by Procedural Rule 401(b). The petition also fails to include an assessment of the environmental impact of the variance as required by Procedural Rule 401(a)(7).

Unless the Village files an amended petition within 45 days of the date of this Order curing the above-noted defects, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 15th day of April, 1982 by a vote of 5-0.

Illinois Pollution Control Board
