October 30, 2025

IN THE MATTER OF: )  
 )  
PROPOSED AMENDMENTS TO ) R22-18A  
GROUNDWATER QUALITY ) (Rulemaking – Public Water Supplies)  
35 ILL. ADM. CODE 620 )

**HEARING OFFICER ORDER**

Participants filed written final comments in this rulemaking on October 14, 2025. The Board appreciates the detailed information provided by the Illinois Environmental Protection Agency (IEPA) and Land and Lakes Company but has two additional information requests directed at IEPA below. IEPA is directed to file a written response by December 1, 2025.

1. Please provide the most recent groundwater monitoring reports for the 97 35 Ill. Adm. Code 807 landfills in the State. If IEPA does not have recent groundwater data for any of these 97 landfills, please provide a status of the landfill.

2. Please provide a GIS map (or equivalent) that shows the overlay of 35 Ill. Adm. Code 807, 811, and 814 landfills in the State along with the underlying Class I potable ground water resource aquifers, any regulated recharge areas delineated under Part 617, and public water supply wells setback zones located within 1,000 feet from the edge of the landfill unit or zone of attenuation.

IT IS SO ORDERED.
