ILLINOIS EPA’S MOTION TO NOTIFY THE BOARD OF ILLINOIS EPA AND USEPA CONCURRENCE ON A THIRTY-DAY EXTENSION OF THE PUBLIC COMMENT PERIOD

The Illinois Environmental Protection Agency (“Illinois EPA” or “Agency”), by one of its attorneys, respectfully submits this motion to notify the Illinois Pollution Control Board (“Board”) that the Illinois EPA and the United States Environmental Protection Agency (“USEPA”) concur on a thirty-day extension of the public comment period in this proceeding. In support, the Agency states as follows:

1. On October 10, 2025, USEPA filed a motion requesting a forty-five-day extension of the public comment period in the above captioned consolidated identical-in-substance rulemaking.
2. On October 22, 2025, the Illinois EPA filed a *Response to USEPA’s Motion for Extension of Time to Submit Public Comments*, requesting that the Board limit any extension to thirty days.
3. Following that filing, USEPA contacted the Agency and indicated its concurrence with a thirty-day extension of the public comment period.
4. Because USEPA is presently affected by the federal government shutdown, the Illinois EPA is submitting this motion to inform the Board that USEPA concurs with a thirty-day extension of the public comment period.

5. The Illinois EPA and USEPA therefore jointly agree that a thirty-day extension is appropriate and sufficient.

WHEREFORE, the Agency respectfully requests that the Board take notice of this concurrence and grant a thirty-day extension of the public comment period.

Respectfully submitted,

PROTECTION AGENCY,
