HEARING OFFICER ORDER

The previously scheduled telephonic status conference has been cancelled and rescheduled as noted below. The complainant awaits the Board's decision on the motion for summary judgement.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 29, 2026, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
