STANDARDS FOR THE PLACEMENT	)	R 25-21
OF LIMESTONE RESIDUAL MATERIALS:	)	(Rulemaking – Land)
PROPOSED NEW 35 Ill. ADM. CODE 706	)	

**PROPONENTS' STATUS REPORT**

The City of Aurora ("City") and Amrize Cement Inc. f/k/a Holcim (US) Inc., Amrize ACM Inc. f/k/a Holcim – ACM Management, Inc., and their respective subsidiaries ("Amrize") (collectively, "Proponents"), by and through their undersigned attorneys, hereby submit the following Status Report pursuant to the Hearing Officer Order dated December 3, 2025.

1. The most recent status conference held in this matter occurred on August 13, 2025.
2. As noted in the December 3, 2025 Hearing Officer Order, the participants were involved in discussions over potential rule language during the time of the August 13<sup>th</sup> status conference.
3. At the August 13<sup>th</sup> status conference, Proponents reported that they continued to consider the issues raised by the Illinois Environmental Protection Agency ("Illinois EPA") concerning the proposed rule language. Proponents stated that they were working on revised draft rule language to address those issues, along with questions raised by the Board. Proponents reported that they hoped to submit revised rule language in the Fall.
4. Since then, Proponents have been drafting amended proposed rule language to address issues previously raised by Illinois EPA.

## Electronic Filing: Received, Clerk's Office 12/17/2025

5. This amended language is currently being reviewed internally by both the City of Aurora and Amrize, and Proponents intend to share a completed, revised draft with the Agency before the end of this calendar year.

6. Proponents suggest scheduling the next telephonic status conference in February 2026.

Proponents appreciate the opportunity to provide this Status Report for the Board's consideration.

Respectfully submitted,
