ORDER OF THE BOARD (by M.D. Mankowski):

On September 4, 2025, at the parties' request, the Board extended until December 4, 2025, the time period for Illinois International Port District and Clean Harbors Services, Inc. (collectively, Petitioners), to appeal an August 6, 2025, determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2024); 35 Ill. Adm. Code 105.406. The determination concerns Petitioners' corrective action plan to meet requirements of the Resource Conservation and Recovery Act (RCRA) permit for Petitioners' solid waste management facility at 11800 South Stony Island Avenue in Chicago, Cook County. In the determination, the Agency approved Petitioners' plan with additional conditions and modifications.

Because Petitioners failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 18, 2025, by a vote of 5-0.
