Respondent.)

ORDER OF THE BOARD (by C.A. Manning):

On October 30, 1995, Amoco Oil Company (Amoco) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to a September 26, 1995, Illinois Environmental Protection Agency (Agency) final UST decision. The Agency on November 6, 1995 filed its agreement to the extension. The Agency requested the extension "to December 25, 1995, or any other date not more than a total of 90 days from the date of the Agency's final determination".

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(c), which governs the underground storage tank appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 96-92 for any appeal which may be filed by Amoco. In the event that Amoco fails to file an appeal on or before December 25, 1995 (the 90th day after September 26, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as Amoco files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1995, by a vote of _____.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
