ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board on a February 4, 1986 motion to dismiss this variance proceeding filed by the Illinois Environmental Protection Agency (Agency). A similar motion to dismiss was filed by the Petitioner on February 18, 1986. The Agency states that on November 25, 1985 Woodstock Die Casting was granted an operating permit for the painting operations which are the subject of this variance proceeding. Since the issuance of this permit resolves the issue of Woodstock's noncompliant status, thereby obviating the need for variance relief, the motions to dismiss are hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 26th day of February, 1986, by a vote of 7-0.
