

ILLINOIS POLLUTION CONTROL BOARD

June 26, 2026

IN THE MATTER OF:)
)
PETITION OF AMEREN ENERGY MEDINA) AS 21-8
VALLEY COGEN, LLC (OLD) (Adjusted Standard- Land)
MEREDOSIA), FOR AN ADJUSTED)
STANDARD FROM 35 ILL. ADM. CODE)
PART 845

HEARING OFFICER ORDER

Petitioner filed a second amended petition on June 4, 2026. On June 17, 2026, the Agency filed a motion for extension of time until October 26, 2026 to file the recommendation. On June 23, 2026, petitioner filed an objection to the request.

The Agency states that the Bureau of Land took over review of the Coal Combustion Residuals program from the Bureau of Water within the last year, and the additional time is needed to review the complete history of this case and the exhibits.

Petitioner agrees to an extension until September 2, 2026. Petitioner argues that the Agency's request is longer than the typical extensions granted for recommendations, and that the fundamental facts have not changed since the previous recommendation.

This is not the first Agency recommendation in this case, so the Bureau of Land is not starting from scratch. In light of this, and despite the change in bureaus, a deadline extension to September 2, 2026 is reasonable.

IT IS SO ORDERED.
