MOTION FOR EXTENSION OF TIME TO FILE ADMINISTRATIVE RECORD

Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY, by and through its attorney KWAME RAOUL, Attorney General of the State of Illinois, and pursuant to 35 Ill. Adm. Code 105.116, hereby moves for an extension of time to file the Administrative Record in this matter. In support of this Motion, Respondent states as follows:

1. On September 3, 2026, the Illinois Pollution Control Board construed Petitioner United States Steel Corporation's August 31, 2026 Motion for Extension of Time as a timely petition for review of Illinois EPA's June 24, 2026 determination.

2. Pursuant to Section 105.116(a) of this Board's rules, 35 Ill. Adm. Code 105.116(a), the Agency is required to file the administrative record of its permit decision with the Board within 30 days after the filing of the petition for review. Here, based on the September 3, 2026 determination that the August 31, 2026 Motion for Extension of Time was a timely petition for review, the administrative record must be filed with the Board by Monday, October 5, 2026.

3. Section 105.116(a) provides in pertinent part that if the Agency "wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed." 35 Ill. Adm. Code 105.116(a).

4. The task of preparing the administrative record cannot be completed by the filing

deadline.

5. The Agency in good faith requests an additional 60 days, through December 4, 2026, to allow for the necessary preparation and copying of the administrative record in this matter.

WHEREFORE, for the reasons stated above, the Respondent requests that the Board grant this request for extension of the filing deadline.

Respectfully submitted,

PROTECTION AGENCY
