ORDER OF THE BOARD (by J.D. Dumelle):

On June 5, 1981 the Village of Wauconda (Village) filed a motion for reconsideration of the Board's May 1, 1981 Opinion and Order which denied the requested variance. In support of its motion the Village has presented new information regarding its sewage treatment plant. It also requests hearing.

The Board cannot allow the Village to have "two bites at the apple" in a single proceeding. Hearing in this matter had been properly waived and it was only upon an adverse determination by the Board that hearing was requested.

Therefore, the motion for reconsideration and hearing is hereby denied. If the Village presents a new petition for variance which alleges new information, the Board will consider it in that context.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25<sup>th</sup> day of June, 1981 by a vote of 4-0.
