ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint status report, filed by the parties on September 21, 1995. The parties state that since the last status report they have participated in several telephone conferences to discuss the remaining issues of a new draft Part B permit. The parties report that the remaining issues have been resolved, and the draft permit was issued for public comment on September 18, 1995. Previous status reports have indicated that once the permit is issued, the parties will file a voluntary dismissal.

The joint status report is accepted. The parties are directed to file an additional status report, either jointly or separately, no later than December 4, 1995. The report or reports shall indicate an anticipated date of resolution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 5<sup>th</sup> day of October, 1995 by a vote of 7-0.
