PROTECTION AGENCY,)
)
Respondent.)

ORDER OF THE BOARD (by E. Dunham):

On October 6, 1995, Spraying Systems Company (SSC) and the Illinois Environmental Protection Agency (Agency) filed a Joint Status Report along with a motion for leave to file the Joint Status Report. The Board grants the motion for leave to file and accepts the Joint Status Report.

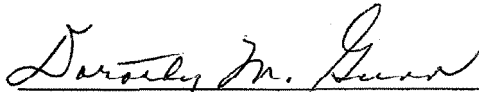

This matter involves an appeal of special conditions imposed by the Agency in its October 4, 1990 approval of SSC's RCRA Closure Plan. In the course of settlement, SSC has submitted a proposed RCRA Closure Work Plan. The Agency has approved a revised work plan and SSC has completed the activities of the revised work plan. The parties state that they have reached a tentative agreement as to the remaining issues relating to the revised cleanup objectives and the Agency has prepared a draft revised RCRA Closure Plan approval letter. SSC and the Agency met to discuss the revised approval letter and have scheduled an additional meeting. The parties anticipate that a settlement in this matter will resolve the issues on appeal. SSC has also provided a waiver of the decision deadline until May 31, 1996.

The parties are ordered to file status reports (or a joint status report) with the Board on or before January 26, 1996.

IT IS SO ORDERED.

Board Member J. Theodore Meyer dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 19~~94~~ day of October, 1995, by a vote of 6-1.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
