ORDER OF THE BOARD (by Mr. Goodman)

The Board finds the November 7, 1979 petition by the Village of Addison herein to be deficient under Board Procedural Rule 401. Deficiencies include the type of relief sought, length of variance requested, description of the facility in question, quantity and types of material discharged and identity of receiving water, the nature and extent of failure to meet the Regulations, assessment of the environmental impact, permit status, alternative methods of compliance available, actions to be taken to minimize the impact of the potential variance, and why immediate compliance would impose an arbitrary and unreasonable hardship. Petitioner shall remedy the deficiencies noted within 45 days of the date of this Order or this petition shall be subject to dismissal for inadequacy.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 15th day of November, 1979 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
