ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed April 9, 1976 is inadequate in that the reasons for delay in complying with Rule 204(f)(2) of Chapter 2 are not given. Furthermore, the present emissions from the acid-using facility are not given so no showing of the need for the variance has been made. The environmental effects, if any, of these emissions, are not delineated.

Petitioner shall file an amended petition within 35 days of the date of this order to provide the needed information. Failure to timely file the amended petition shall make the petition liable to dismissal for inadequacy. The 90-day period set by statute for decision shall run from the date of filing of the amended petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 22<sup>ND</sup> day of April, 1976 by a vote of 50.
