ORDER OF THE BOARD (by Mr. Young):

On May 12, 1978, Petitioner requested a variance from various provisions of the Board's Water Pollution Regulations. The Petition is inadequate for failure to specifically request or waive a hearing as required by Procedural Rule 401(b). It is also inadequate for failure to comply with the requirements of Procedural Rule 401(a)(7). The Petition fails to disclose impact of any discharge or seepage from continued operations at the landfill site on the waters of the State. The 90-day decision period shall begin with the filing of the Amended Petition.

If these deficiencies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 25th day of May, 1978 by a vote of 5-0.
