SUPPLEMENTAL ORDER OF THE BOARD (by J. Anderson):

On April 6, 1981, Kaney moved alternatively for modification of the Board's Order of October 30, 1980 or for variance from that Order. On April 13, the Agency responded that it had no objection to this motion.

The motion to modify is untimely, and is therefore denied. Construing the motion as a petition for variance, the Board finds that it fails to contain most of the information required by Procedural Rule 401. If an amended petition remedying the deficiencies is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Supplemental Order was adopted on the 16th day of April, 1981 by a vote of 5-0.
