ORDER OF THE BOARD (by Mr. Young):

On December 2, 1976, Clark submitted to this Board a Motion for Reconsideration of our Opinion and Order in this matter. Attached to that Motion is an affidavit of Robert H. Bruggink in which he states that Clark presently has an operating permit and that this permit was issued without any additional equipment having been installed. The affidavit fails to inform the Board however relative to the fact whether any exchange of information has occurred between Clark and the Agency since the last hearing in this matter, and whether this exchange, if one occurred, accounts for the apparent change in the Agency position on the permit. Before the Board rules on this Motion, the parties will be allowed 28 days in which to submit affidavits clarifying these issues.

IT IS SO ORDERED.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 16th day of December, 1976 by a vote of 5-0.

Christian L. Moffett, Clerk
Illinois Pollution Control Board
