ORDER OF THE BOARD (by Mr. Dumelle):

It is the Order of the Pollution Control Board that:

1. The Board has jurisdiction to rule on the merits of this matter.
2. The Board hereby reconsiders its prior unconditional concurrence in the issuance of this permit.
3. The Board hereby concurs in the issuance of this permit on the following conditions:
 - a) Dredging shall be by clamshell.
 - b) There shall be no dewatering of or intentional spillage from the bucket except for disposal into watertight containers.
 - c) Ultimate disposal from the watertight containers shall be in a facility which has received all necessary State and/or Federal permits.
 - d) A silt curtain/oil boom shall be installed around the dredging site before dredging occurs and shall remain in place while dredging occurs.
 - e) Any oils contained by the boom shall be collected and disposed consistent with conditions b and c.
 - f) The dredging equipment and watertight containers shall be cleaned and the residues disposed consistent with conditions b and c.
 - g) The dredging and disposal shall be completed within one year of the date of this Order.
 - h) The Illinois Environmental Protection Agency and all other interested governmental agencies shall be allowed to enter, inspect, and monitor the dredging operations and to take samples of any discharge or emission of pollutants.

4. The Chairman is authorized to sign the permits as long as it contains the conditions in paragraph 3 of this Order.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 15th day of February, 1979 by a vote of 3-0.
