ORDER OF THE BOARD (by Mr. Goodman):

On April 19, 1976, Respondent filed with the Board a Motion to Strike Complainant's Objection and a Motion for Summary Judgment. Respondent's prayer for relief was divided into four paragraphs to which the Board responds as follows:

1. Respondent's request is rendered moot by a prior Order of the Board issued today in this matter.
2. Respondent's Motion for Summary Judgment did not indicate on what basis such Judgment should be granted by the Board and it is therefore denied.
3. Respondent's Motion to Dismiss the Complaint in PCB 76-6 is not only too late under the Board Procedural Rules but once again the Motion contains nothing in support of such Motion. Respondent's Motion to Dismiss is therefore denied.
4. Respondent's fourth request appears frivolous on its face, but in any event such an Order is beyond the authority of this Board.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 6<sup>th</sup> day of May, 1976 by a vote of 5-0.
