v. GLEN FEARNEYHOUGH, d/b/a BEARDSTOWN LUMBER & READY MIX,	PCB 94-74 (Enforcement-Air))
Respondent.)))

OPINION AND ORDER OF THE BOARD (by M. McFawn):

This matter comes before the Board upon a one-count complaint filed February 24, 1994, by the Illinois Attorney General, on behalf of the People of the State of Illinois and the Illinois Environmental Protection Agency, against Glen Fearneyhough, d/b/a Beardstown Lumber & Ready Mix (Fearneyhough) located at 15th & Bay Streets, Beardstown, Cass County, Illinois. The complaint alleges that Fearneyhough has violated Section 9(b) of the Illinois Environmental Protection Act (Act), (415 ILCS 5/9(b)) and 35 Ill. Adm. Code 201.143 and 201.146 by constructing and operating emission sources without the proper permits.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint motion requesting relief from the Act's hearing requirement on August 17, 1995. The Board published a notice of the waiver on August 24, 1995; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a stipulation and settlement Agreement on August 17, 1995. The stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Fearneyhough admits the alleged violations and agrees to pay a civil penalty of five hundred dollars (\$500.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

The certified check or money order shall clearly indicate on its face, Fearneyhough's Federal Employer Identification Number or Social Security Number and that payment is directed to the Environmental Protection Trust Fund.

Interest shall not accrue during the pendency of an appeal during which payment of the penalty has been stayed.

IT IS SO ORDERED.

Pursuant to 35 III. Adm. Code 103.180 (1992), the following stipulation and proposal for settlement entered into between the complainant, People of the State of Illinois, on behalf of the Illinois Environmental Protection Agency ("Agency"), and the respondent, Glen Fearneyhough ("Fearneyhough), d/b/a Beardstown Lumber and Ready Mix is tendered for approval by the Illinois Pollution Control Board ("Board"). It is expressly understood and agreed to by and between Fearneyhough, James E. Ryan, Attorney General of the State of Illinois, ("Attorney General") and the Agency that the agreements, stipulations and statements herein contained are not binding on the parties, and shall be deemed null and void, in the event such approval by the Board is not obtained, or in the event additional terms or conditions which are unacceptable to the parties are imposed by the Board. This stipulation and proposal for settlement is made for the purpose of settlement only and putting an end to litigation, and neither the fact that a party has entered into this stipulation and proposal for settlement, nor any of the facts stipulated herein, shall be introduced into evidence or construed as an admission in any other proceedings except to enforce the terms hereof by the parties to this agreement and as proof of past noncompliance in other proceedings under

the Illinois Environmental Protection Act (415 ILCS 5/1-57.17 (West 1992)). Subject to the foregoing understanding and agreement, it is further agreed as follows:

1.

STIPULATION OF FACTS

 - 3. In his business Fearneyhough operates a ready mix concrete plant.
 - 4. The concrete plant's components include a cement silo and fabric filter.
- 5. The cement silo and fabric filter were constructed prior to December 11, 1990.

In response to these factors, the parties state as follows:

In response to these factors, the parties state as follows:
