ORDER OF THE BOARD (by D. Satchell):

On February 11, 1981 the Illinois Environmental Protection Agency (Agency) filed a motion for reconsideration of this matter and to vacate the Board Order entered herein January 8, 1981. The motion to vacate is denied. The motion for reconsideration is hereby granted. Considering the intense interest evidenced by the public in this matter, and the inherent thrust of the Environmental Protection Act to maximize public input into the Board's deliberations, the Board hereby orders hearing to be set within 20 days and held within 60 days of the date of this Order. At the hearing, the evidence should focus on the reasons for denial.

On February 13, 1981 Raymond Greenberg filed a petition to intervene. On that same day Harry Mathers and numerous other owners of property in the immediate area of the proposed landfill filed a motion to intervene and for rehearing. Greenberg and Mathers are hereby granted leave to intervene pursuant to Rule 310 of the Board's procedural rules. All other motions before the Board in this matter are hereby denied in that hearing has been authorized.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of February, 1981 by a vote of 5-0.
