ORDER OF THE BOARD (by Mr. Young):

On May 1, 1978, a Petition for Variance was filed by the Village of Hanover Park. The Petition is inadequate for it fails to give a clear and complete statement of the relief sought as required by Rule 401(a)(1). The Board will not consider a Petition for Variance from the provisions of the Water Quality Standards of Chapter 3: Water Pollution Regulations unless the Petition makes specific reference to those Board rules which are necessary for relief. The Petition also fails to assess the environmental impact of this variance and does not include the water quality data of the West Branch of the DuPage River as required by Rule 401(a)(7).

Petitioner will be granted 45 days from the date of this Order to amend the Petition or it will be dismissed as inadequate. The 90-day statutory period will begin to run on the filing of the Amended Petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 11 day of Ma , 1978 by a vote of 5-0.
