INTERIM ORDER OF THE BOARD (by Mr. Dumelle):

On June 22, 1978 the Board accepted a stipulation in EPA v. Village of Camp Point, PCB 77-210, which required, inter alia, that Petitioner apply for a variance from Rule 602(b) of Chapter 3: Water Pollution of the Board's Rules and Regulations. On September 14, 1978 Petitioner requested such a variance. On October 12, 1978 the Agency recommended that a variance be granted for two years.

Neither the Petitioner nor the Agency has assessed the environmental effects of the requested relief. In addition the Board has not been advised of any hardship which would be incurred if this variance is denied. Consequently if these deficiencies are not corrected by the parties by November 30, 1978 this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 2nd day of November 1978 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
