ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on respondents' status report filed September 1, 1995. Respondents state that after a draft Part B Permit was issued to CWM Chemical Services, Inc. (CWM) on March 15, 1995, a public meeting was held on May 3, 1995 and the comment period closed June 2, 1995. On June 30, 1995 the Illinois Environmental Protection Agency issued a final RCRA permit. CWM has represented that it will seek dismissal of this matter as soon as the transfer of its assets to Clean Harbors of Chicago is completed. As such, respondents requests a continuance of the Stay, and an additional status date.

The Board accepts respondents' status report, and appreciates their diligent and timely efforts in keeping the Board informed in this matter. However, we anticipate an immediate resolution in this six-year-old case. Therefore, the Board grants the continuance of the Stay until November 6, 1995, and orders the parties to submit status reports on or before November 6, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of September, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
