ORDER OF THE BOARD (by I. Goodman):

The Petition for Variance filed October 9, 1980 is dismissed. The rule in question, Rule 203(g)(1)(B) of Chapter 2 (Air Pollution Control) does not exist as a state regulation. The substance of the rule does, however, exist as part of the SIP under §110 of the Clean Air Act. The relief Petitioner seeks can be sought via an operating permit application to the Agency. Such permit, if acceptable as a SIP revision, will insulate Petitioner from enforcement actions pursuant to the SIP.

IT IS SO ORDERED.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 17th day of October, 1980 by a vote of 7-0.
