INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

A hearing was held in this matter on February 19, 1976, and a Stipulation and Proposed Settlement (Stipulation) entered at that hearing by the parties was filed with the Board on June 21, 1976. The Stipulation (at ¶¶ 12, 13) indicates that Respondent was to have installed sound barriers with noise-attenuating materials around certain equipment. Paragraph 2 of the Proposed Settlement indicates that this was to have been accomplished by May 1, 1976.

In light of uncertainties in the Stipulation on the subject of compliance, it should be amended to reflect whether the proposed sound barriers have in fact been installed, and whether they have been successful in achieving compliance with the applicable Regulations. Leave is accordingly granted, on our own Motion, for the parties to amend the Stipulation and Proposed Settlement in this matter in conformity with the foregoing Interim Order or, as might otherwise be indicated by any changed circumstances, within forty-five (45) days of the date of this Interim Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 22<sup>ND</sup> day of July, 1976, by a vote of 5-0.

  
  
Christan L. Moffett, Clerk
