INTERIM ORDER OF THE BOARD (by Mr. Young):

The decision of the Supreme Court in Commonwealth Edison v. PCB, Supreme Court Docket No. 47352 (January 20, 1976), may affect this proceeding. Without ruling on the merits of the appeal, the Board believes that the resolution of this matter may be greatly expedited by the resubmission of a permit application for Agency consideration thereof.

The Board would be willing to entertain a motion of U.S. Tobacco staying the permit denial appeal pending Agency consideration of a permit application.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 18th day of June, 1976 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
