

ILLINOIS POLLUTION CONTROL BOARD
December 14, 1978

IN THE MATTER OF:)	R77-15
SULFUR DIOXIDE AND PARTICULATE)	R78-14
REGULATIONS, RULES 204(c)(1)(A),)	R78-15
204(c)(1)(D), AND 203(g)(1) OF)	R78-16
CHAPTER 2.)	R78-17

ORDER OF THE BOARD (by Mr. Goodman):

As part of its on-going evaluation of its regulations and in response to the Clean Air Act Amendments of 1977, the Board on November 16, 1978, ordered that hearings be set to determine the desirability of modifying or continuing in effect Rule 204(c)(1)(A) of Chapter 2. That proceeding was docketed R78-14 and was consolidated with a pending proceeding before the Board, R77-15. On November 30, 1978, the Board initiated a similar proceeding as to Rule 203(g)(1). That proceeding was docketed R78-16 and was consolidated with a proposal submitted to the Board by the City of Rochelle, docketed R78-15.

Today, again as part of its continuous examination of its regulations and in response to the Clean Air Act Amendments, the Board proposes to delete Rule 204(c)(1)(D) (designated Rule 204(c)(1)(B)(ii) prior to our adoption today of R75-5). The Board orders that hearings pursuant to Sections 27(a) and 27(b) of the Environmental Protection Act be set to determine whether this rule is necessary or whether it is obsolete and therefore merits deletion. This proceeding will be docketed R78-17.

The above named proceedings, R77-15, R78-14, R78-15, R78-16 and R78-17, all involve fuel combustion emission sources and, due to the interrelationship of the control technologies for sulfur dioxide and particulate emission control and other considerations, involve overlapping issues. The Board, therefore, finds that in the interest of convenient and expeditious resolution of the issues, these various proceedings should be consolidated. The Board, therefore, orders that R77-15, R78-14, R78-15, R78-16 and R78-17 be consolidated for purposes of hearing.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 14th day of December, 1978 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
