ORDER OF THE BOARD (by D. Satchell):

On April 13, 1981 Amax Coal Company (Amax) filed an appeal of the Illinois Environmental Protection Agency's denial of modification of NPDES permit No. IL0036960. On May 28, 1981 Amax filed a motion for dismissal of its appeal. The motion is granted.

The Board has determined that the permit in question relates to the Wabash Mine in Wabash County. In the future Amax should identify the facility and county in its appeals so the Board can comply with the notice requirements of Section 40 of the Illinois Environmental Protection Act.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of June, 1981 by a vote of 4-0.
