ORDER OF THE BOARD (by Mr. Dumelle):

The record before the Board lacks information needed by the Board for its determination of the case. The Board requests, in verified form, information as to the date when construction of the house for which occupancy is desired by November 6, 1976 was begun and for whom it was built. The record is not clear as to whether or not this house is on one of the eight lots in question.

A reply shall be made to both the Board and Illinois Environmental Protection Agency on or before October 21, 1976.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 14th day of October, 1976 by a vote of 5-0.
