ORDER OF THE BOARD (by Mr. Young):

This matter comes before the Board on a Motion for Continuance in excess of 45 days submitted by the Petitioner on March 17, 1978, during the first hearing of this variance proceeding. The Motion would suspend the proceeding for Petitioner to explore the feasibility of an alternative means for compliance.

The Board will not provide Petitioner with a variance by continuance; but the Board will allow Petitioner to file an amendment to its Petition with an adequate means and schedule for compliance. If the Petitioner fails to comply with this Order within 90 days, the Petition for Variance will be dismissed as inadequate.

IT IS SO ORDERED.

Dr. Satchell abstains.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 25th day of May, 1978 by a vote of 40.
