ILLINOIS POLLUTION CONTROL BOARD
March 1, 1979

A & G COAL COMPANY, Petitioner,	)	
v.	)	PCB 79-40
ENVIRONMENTAL PROTECTION AGENCY, Respondent.	)	

ORDER OF THE BOARD (by Mr. Dumelle):

On February 26, 1979 Petitioner requested a variance from the water quality standards for sulfate and total dissolved solids in Rule 203(f) of Chapter 3: Water Pollution of the Board's Rules and Regulations. The Petition is deficient in two respects. First, it fails to describe the length of time for which a variance is needed as required by Procedural Rule 401(a)(1). Second, it fails to describe a program whereby Petitioner will come into compliance with the water quality standards as required by Procedural Rule 401(a)(6). If these inadequacies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal. The statutory 90 day decision period shall run from the date an amended petition is filed.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 1st day of March, 1979 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
