CHAPTER 9 OF THE ILLINOIS)
POLLUTION CONTROL BOARD)

Adopted Rule: Final Action

ORDER OF THE BOARD (by J.D. Dumelle):

On April 16, 1981 the Board received from the Joint Committee on Administrative Rules (JCAR) a certification of no objection to proposed rulemaking in this matter dated April 14, 1981. Thus, the second notice period ended on that date.

Upon the recommendation of the JCAR the Board has agreed to add language to the rulemaking indicating that Rule 950 will not take effect until the Illinois Environmental Protection Agency (Agency) has adopted rules to administer this permit program.

Thus, the Board amends Rule 972 of Chapter 3: Water Pollution, to read as follows (new language is underlined; deletions are stricken):

972 Effective Date

- a. The effective date of this Subpart B shall be the date of filing with the Secretary of State on an emergency basis.
- b. Notwithstanding (a), above, Rule 950 shall become effective at such time as the Agency adopts criteria to administer the permit program contained therein.

The Board hereby adopts the Proposed Opinion and Order of the Board which was issued on March 19, 1981 as the final Opinion and Order in this proceeding except to the extent as it is modified by this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1st day of May, 1981 by a vote of 4-0.
