ORDER OF THE BOARD (by J. Anderson):

On June 12, 1981 the Village of Buffalo Grove moved for an extension of time in which to take action referred to in Paragraph 3 of the Board's Order of February 19, 1981. No party has responded to this motion.

The Village's motion is denied as improper, as the Board's Order imposes no duty on the Village from which it can be relieved. The only duty imposed on any respondent are those imposed on Chevy Chase. However, in light of the ongoing negotiations to solve the environmental and other problems posed by this case, the Board on its own motion grants Chevy Chase an additional 90 days from the date of this Order to submit the final reports required by Paragraph 3 and 4 of the Board's Order of February 19, 1981. The Board would, however, anticipate submittal of these reports at such earlier time as the requested information becomes available.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of June, 1981 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
