ORDER OF THE BOARD (by Mr. Young):

On May 4, 1978, the Village of Bloomingdale filed a Petition for Variance which was amended on June 9, 1978, in response to a Board Order of May 11, 1978.

On June 23, 1978, the Illinois Environmental Protection Agency filed a Motion to Join Additional Parties, pursuant to Rules 303(c) and 309 of the Board's Procedural Rules. The Motion asks that 280 other dischargers in the planning area serviced by the Northeastern Illinois Planning Commission be added in order that a complete determination of the issues involved can be had and that such joinder will result in a convenient and expeditious resolution of an issue which necessarily would otherwise be individually raised by each of the dischargers.

The Motion to Join Additional Parties will be granted; the statutory period for decision as to the added parties shall begin with the date of this Order. Any additional party not desiring to be joined will be dismissed on their motion to the Board. The matter shall be set for hearing. Pursuant to the Agency's Supplement to their Motion to Join filed August 2, 1978, the Agency will assume the responsibility for mailing of any notices or documents required in this action.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 3RD day of August, 1978 by a vote of 5-0.
