ORDER OF THE BOARD (by Mr. Goodman):

On February 16, 1979, Beling Consultants filed on behalf of Bradley Heights Water System a petition for variance from Rule 305 of Chapter 6 and from Technical Policy Statement 212(E)(2). The Petition does not fulfill the requirments of Rule 401 of the Procedural Rules in the following respects: it contains no compliance plan, cost of achieving compliance, or time schedule for compliance, and it does not include any statement explaining if or why compliance with the regulations from which variance is sought would impose an arbitrary and unreasonable hardship.
