OPINION AND ORDER OF THE BOARD (by C.A. Manning):

On March 30, 2001, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a complaint against Kucera Disposal Company (Kucera). *See* 415 ILCS 5/31(c)(1) (2000); 35 Ill. Adm. Code 103.204. The People allege that Kucera violated Section 21(d) of the Environmental Protection Act (Act) (415 ILCS 5/21(d) (2000)) and operating permit 1983-22-OP part IV, Section A 26 and special condition 15. The People further allege that Kucera violated these provisions by stockpiling construction and demolition debris, and chipping and storing wood wastes under a metal canopy. The complaint concerns Kucera's site at 1800 South Laramie, Cicero, Cook County.

On November 8, 2001, the People and Kucera filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2000)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2000)). See 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief, including published notice in the *Chicago Sun-Times* on November 12, 2001. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. See 415 ILCS 5/31(c)(2) (2000); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Kucera's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2000)). The People and Kucera have satisfied Section 103.302. Kucera neither admits nor denies the alleged violations and agrees to pay a civil penalty of \$12,000. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
