ORDER OF THE BOARD (by J. Anderson):

On January 21, 1982, the Agency moved for an extension until February 26, 1982 of the time by which it must file its Recommendation. As the basis for its motion, it cites the petition's deficiencies as noted in the Board's Order of December 17, and the scheduling of a January 22, 1982 meeting between the Agency and petitioner "to discuss what additional information will be submitted by petitioner." Petitioner has filed no response.

The Agency's motion is granted. Even if no amended petition is filed, as implied in the motion, since the Recommendation will have been filed prior to hearing, the Board finds that an extension will not prejudice petitioner.

IT IS SO ORDERED.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 4th day of February, 1982 by a vote of 4-0.
