IN THE MATTER OF:)
)
PETITION OF TOMMY HOUSE TIRE) AS 95-1
FOR AN ADJUSTED STANDARD FROM) (Adjusted Standard - Land)
35 ILL. ADM. CODE 848.202)

ORDER OF THE BOARD (by M. McFawn):

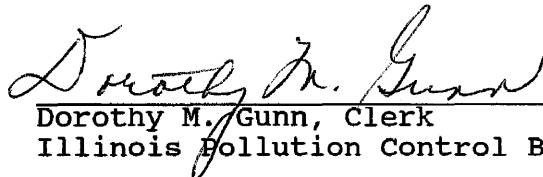

On October 12, 1995, petitioner Tommy House Tire Company, Inc. (Tommy House) filed a motion to supplement the record and continue the hearing in this matter. The Board, by order dated September 7, 1995, ordered that a hearing be set in order to address remaining issues regarding the propriety of the proposed adjusted standard. The Board's September 7, 1995 order identified a series of issues which needed to be addressed, and directed Tommy House to be prepared to address these and any additional questions regarding the propriety of the requested adjusted standard at hearing.

Tommy House requests that the hearing be stayed and seeks leave to file supplemental information to address the Board's concerns regarding its adjusted standard petition. Tommy House requests that it be given 30 days to submit this information. In support of this request, Tommy House states that it believes it had a fundamental misunderstanding of the Board's previous orders in this matter.

Tommy House's motion is hereby granted. On or before November 20, 1995, Tommy House shall file with the Board supplemental information addressing the concerns outlined in the Board's September 7, 1995 order. Hearing in this matter shall be stayed pending the Board's review of this supplemental information.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 19th day of October, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
