ORDER OF THE BOARD (by Mr. Goodman):

This variance request was originally filed on June 9, 1976. No hearing was held. On September 2, 1976 the Board ordered the variance petition dismissed because the petition was inadequate to support an informed decision.

The Board's decision was appealed to the Third District of the Appellate Court of Illinois. On May 24, 1977 the court, upon motion of both parties, remanded this case to the Board for further proceedings.

Accordingly, the Board authorizes this case to be set for hearing and orders that the hearing be set within 21 and held within 60 days of the date of this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7th day of July, 1977 by a vote of 5-0.
