ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

On Application by Great Lakes Carbon Corporation, respondent-petitioner, for designation of the non-disclosure status with respect to documents entitled "Gunter Exhibit" and "Forecast Exhibit" both appended to the Stipulation and proposal for settlement filed herein, conditional status of non-disclosure is granted to both exhibits.

In the event the Board determines that disclosure of each or both documents will be necessary for the rendition of its Opinion and Order, respondent-petitioner will be so advised, at which time it will determine whether the non-disclosure status will be removed, or, in the alternative, that the exhibits may be withdrawn, in which event the Board will render its opinion and order without the benefit of said exhibit or exhibits so withdrawn.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the 10th day of May, 1973, by a vote of 4 to 0.
