ORDER OF THE BOARD (by Mr. Henss):

Complainant has filed Motion for Modification of Order or, In the Alternative for Rehearing. A careful review reveals no reason for modification or for rehearing. Complainant does state that material evidence was not presented at the hearing but there is no reference to the type of evidence which might be presented to persuade the Board to reach a different result. We cannot speculate on the type of evidence which Complainant now claims to have and therefore, must conclude that the Motion is without merit.

It is ordered that the Motion for Modification of Order or for Rehearing be and it is hereby denied.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the day of May, 1975 by a vote of
